

TECH TUESDAY

This week's key question is...

What is the internet and what can I do on the internet?
What are the benefits of using the internet?

The objectives we are covering:

I can talk about how to use the internet as a way of finding information online.

The resources we will use:

[What is the internet? - BBC Bitesize](#)

Useful links for parents:

Please read the Tech Tuesday launch letter. Further links will follow next week.
